

The 12 Sacred Mistakes: An Astrological Roadmap to Awakening

	MIND SEES...	MEDITATION SEES...
Aries 1	embarrassing bravado	<i>a clumsily individuating soul learning how to create a healthy synapse across which to spark.</i>
Taurus 2	brutish materialism	<i>a spirit-in-matter disciple, unafraid to make the sloppy journey of "waking down."</i>
Gemini 3	scattered dilettantism	<i>a dedicated student of now struggling for an honestly earned, panoramic synthesis.</i>
Cancer 4	sticky clannishness	<i>a devoted innocence-worshiper anxiously improvising a cocoon for an otherworldly butterfly.</i>
Leo 5	unabashed self-importance	<i>an imperfect inspirer of "soul esteem" urging us to enjoy our part in the divine drama.</i>
Virgo 6	unsympathetic fault-finding	<i>a sacred space artist learning to point gently at the ashram-inducing power of the particular.</i>
Libra 7	placating superficiality	<i>the One Heart struggling to taste intimacy in honestly embodied separateness.</i>
Scorpio 8	psychic control	<i>an overeager catalyzer of congruency intolerant of all gods but the one in our gut.</i>
Sagittarius 9	self-inflated preachiness	<i>an adolescent inspirer of self-inquiry learning how to "show" instead of "tell."</i>
Capricorn 10	crass opportunism	<i>a heroic "Neo" seduced, for a moment, by the matrix they're so nobly attempting to infiltrate.</i>
Aquarius 11	disenfranchising "different-ness"	<i>a courageous lover of humanity desperate for some world-saving agitation.</i>
Pisces 12	unhealthy martyrdom	<i>a gifted empath wrestling with the paradox that oneness enjoys having a boundary.</i>
